

Camberwell and District Allotment Society, Grange Lane Section

**Voting At Grange Lane Allotments AGM, 27<sup>th</sup> November 2022**

**Rule Changes #1: Proposed general rule changes**

		Yes	No
1	<b>Chemicals: Do you agree with a ban</b> on the use of glyphosates and other systemic herbicides and that the use of all pesticides must be in line with current RHS and CDAS guidelines?		
2	<b>Fixed Cameras:</b> Do you agree that there should be no <u>fixed</u> or installed video cameras used on plots?		
3	<b>Ponds:</b> Do you agree that shallow ponds should be allowed provided they are in line with insurance requirements and guidelines?		
4	<p><b>Storage, grow-tunnels and cold-frames.</b> Do you agree with:</p> <ul style="list-style-type: none"> <li>• Removal of restrictions on the number and volume of compost bins</li> <li>• New cold-frames or cloches should be polycarbonate or safety glass and max height .75m</li> <li>• Introduction of height limit of 2m on frames and supports for climbing plants and fruit cages</li> <li>• That small grow tunnels (micro-polytunnels) should be allowed, max size height 1.3m width 1.2m length 1.5m</li> <li>• An increase in the height of toolboxes from the current 1m to 1.3m</li> </ul> <p>That all storage containers and cold-frames to be inconspicuous in brown/green, not on fixed concrete base and total footprint in line with new lease cultivation requirements</p>		
5	<b>Plot Allocations.</b> Do you agree that there should be no further allocation of second full or half plots to existing plotholders?		

**Rule Changes #2. Structures – Voting Process**

**Conditions related to All Structures up for voting**

**Conditions relating to sheds, shelters and polytunnels if introduced:** to be temporary structures that are easily removable so no concrete bases/ or use of concrete for posts. No excavation/digging to increase volume/height. Placed to minimize impact on views and shade for others plotholder. Unobtrusive materials and colours. All structures to be properly maintained and their condition will be included as criteria in plot inspections. Any glazing should be polycarbonate or safety glass. To place any huts or sheds at distances well within plot.

**Rule changes apply from the point of approval.** Action against historic structures will only be taken if they represent a health and safety concern or breach the conditions of the new Dulwich Estate lease.

**Check with Committee:** before considering building/ purchasing a new structure, check first to ensure it complies (to prevent wasted investment).

**Tenancy Agreement Vote**
