Output from MailChimp Survey:-

Question 1 has 81 answers (Radio Buttons)

“Do you approve of this Code of Conduct ?”

Yes

No

It will be noted that there were more votes on the Survey than the number of clicks on the email. This was due to some members voting twice, no doubt inadvertently.

Once there duplicates were removed, the result was:

Duplicate	No			
		Approve Code of Conduct ▾		
		Yes	No	Grand Total
Count of Email		66	5	71
% of Vote		93%	7%	100%
